- Early math skills
- Connections to addition and subtraction

101 Traženje predmeta (prema 1 kriteriju)

102 Searching for objects (two criteria)

103 Searching for objects (abstract criteria)

104 Sorting objects (same items)

105 Sorting objects (abstract criteria)

106 Matching objects (related items)

107 Completing sets

108 Identifying objects (same / different / similar)

109 Searching for objects (positive and negative criteria)

119 Matching objects to opposite properties

120 Identifying objects based on language of comparison

121 Comparing groups of 0-5 (more than, fewer than, equal to)

122 Completing groups of 0-5 (more than, fewer than, equal to)

123 Completing groups of 0-5 - reversibility (more than, fewer than, equal to)

135 Identifying and comparing quantities 0-5

113 Searching for objects based on language of position (complex images)

124 Comparing groups of 0-5 (1-2 more than, 1-2 fewer than)

125 Completing groups of 0-5 (1-2 more than, 1-2 fewer than)

126 Completing groups of 0-5 - reversibility (1-2 more than, 1-2 fewer than)

136 Comparing groups (1-5 more than, 1-5 fewer than)

210 2 + 1 = Adding within 5 using blocks and number grid

110 Putting images in consecutive order (3)

111 Putting images in consecutive order (5)

118 Finding objects based on language of position (sequences)

146 Comparing groups of 0-10 (more than, fewer than, equal to)

147 Completing groups of 0-10 (more than, fewer than, equal to)

148 Completing groups of 0-10 - reversibility (more than, fewer than, equal to)

153 Identifying and comparing quantities 0-10

131 Ordering quantities 0-5

137 Ordering blocks 0-5

201 Placing numbers 0-5 on a number grid

112 Completing patterns

149 Comparing groups of 0-10 (n more than, n fewer than)

150 Completing groups of 0-10 (n more than, n fewer than)

151 Completing groups of 0-10 - reversibility (n more than, n fewer than)

154 Comparing groups (1-10 more than, 1-10 fewer than)

320 Solving word problems for addition and subtraction within 10 - level I (simple language)

321 Solving word problems for addition and subtraction within 10 - level II (tricky language)

127 Matching quantities 1-5 (concrete, pictorial)

128 Matching: count – number name – numeral (1-5)

129 Matching quantities 0-5 (concrete, pictorial, abstract - mixed)

130 Hitting digits 0-5 based on audio instruction

132 Completing number patterns 0-5 (stairs)

133 Finding objects using ordinal numbers 1st-5th

134 Identifying numbers 0-5 based on hints (smaller, greater)

138 Identifying numbers of objects taken away 0-5

318 Fluency in addition and subtraction within 10 (audio)

114 Finding matching / non-matching objects (rotation)

117 Identifying left and right (facing others)

139 Matching quantities 0-10 (concrete, pictorial)

140 Matching: count – number name – numeral (0-10)

141 Matching quantities 0-10 (concrete, pictorial, abstract - mixed)

142 Hitting digits 0-10 based on audio instruction

144 Completing number patterns 0-10 (stairs)

145 Finding objects using ordinal numbers 1st-10th

152 Identifying numbers 0-10 based on hints (smaller, greater)

156 Identifying numbers of objects taken away 0-10

309 Representing number bonds 2-10 using blocks

115 Placing objects based on language of position (grid)

116 Recalling position of objects (grid)

143 Ordering quantities 0-10

155 Ordering blocks 0-10

301 Placing numbers 0-10 on a number grid

313 4+3 Adding and subtracting within 10 using abstract representation only
